

## **GCU Helps Those Impacted by COVID-19**

GCU will temporarily suspend policy cancellations due to non-payment of premium for policyholders facing financial strain due to COVID-19.

The extended grace period is available immediately and will carry until further notice for all GCU life insurance policies. Members facing financial difficulty due to this unprecedented time should contact the GCU and we will review each request on a case by case scenario.

As life insurance carriers have been recently designated as essential critical businesses by Pennsylvania Governor Tom Wolf, GCU Home Office will remain open and continue to serve members, by appointment only. Furthermore, members can make payments, request funds from their annuity, file a claim or request policy changes. We continue to be available via phone 855-306-0607 or email [info@gcuusa.com](mailto:info@gcuusa.com) during regular business hours.

As George N. Juba, President and CEO stated in a recent message to our members, GCU response to the COVID-19 pandemic is based on our core values of faith, family and community.

Finally, as quoted in Mr. Juba's message, "We assure you that the life and annuity business you have placed with GCU is safe. The current crisis has not diminished the statement value of your annuity(ies) nor the cash value of your life insurance policy(ies)".
