**Why you should be (re)elected?:**

I am a current Director and my lifelong GCU experience includes Chairperson of the Supreme Tribunal, active member and Communications Director of my Regional Lodge since 2011 with 20 years experience leading fraternal and fundraising efforts. I am the Chairperson of Social Media and Communication at my Byzantine Parish. I am also a Board member of Seven Oaks Country Club in Beaver, PA.

As a Board Member I have served on various committees, shared my fraternal experience to ensure the future of the GCU, and utilized my social media experience and energetic insight to promote and strengthen the GCU. I take pride in being a leader.

Being elected as a Director of a two billion dollar Fraternal Benefit Society requires passion, experience, professionalism, dedication and the flexibility to adapt to the ever changing world. I possess these qualities and strive to further my influence as a Director of the GCU. I appreciate your support in being re-elected to the GCU Board of Directors.
