Why you should be (re)elected?:

Being a GCU member and officer for many years, I find it is time for me to expand my horizons thru the GCU. Having worked at many clerical functions over the years I have found that there is a growing interest in the GCU and it's work.

I would like to put that interest into action and grow the GCU in the Churches and their faith communities in the western United States. As a Director I feel I could be more successful in that endeavor.
