Taste of Heaven Cookie Sale

The above is representative plating of the Traditional Assorted Cookie Tray. Please remember multiple bakers are used so there may be differences in size and appearance in the cookies that are packed for you. Be assured that they are all baked with love and will be a delicious treat for the holiday!

Thumbprints – Our thumbprints are made with a buttery shortbread dough, and may be plain, rolled in sugar, or jimmies and filled with icing. If cookies rolled in nuts, they will only be packed in the containers “WITH NUTS”

Snowballs – Russian Tea Cakes, Butterballs, Mexican wedding cakes. No matter what you call them this wonderful shortbread cookie just says “Merry Christmas!” Will contain walnuts or pecans in the containers “WITH NUTS” selection.

Chocolate Chip – Everyone’s favorite any time cookie. Our chocolate chip cookies are a rich brown sugar dough filled with luscious morsels of chocolate. Cookies in the “WITH NUTS” containers may contain walnuts or pecans.

Snickerdoodles – a soft and chewy cookie, rolled in cinnamon sugar with just the right tang to round out the flavor.

Cutout Sugar Cookies - a buttery not too sweet cookie with a tender bite. Iced and decorated, a standout on any Christmas Cookie Platter. Plain and simple, yet so wonderful.

Gingersnaps– these cookies have it all. A great spicy, but not too spicy flavor that screams “Christmas is Here!” and a wonderful soft chewy texture.

Specialty Cookies (separate items to order)

Nut Horns or Kolache – an elegant specialty/ethnic cookie. A rich flaky dough filled with nuts.

Apricot Horns or Kolache- an elegant specialty/ethnic cookie. A rich flaky dough filled with cooked apricot filling.
