

I have served as a youth greeter to welcome members of our congregation to worship.

I volunteer at my Youth Ministry Group car wash to raise funds for the youth of my congregation to attend our National Youth Gathering.

I have supported various ministries at my church by collecting home goods, food, and personal care items for local shelters, food banks, and refuges.

For the past seven years, I have participated in an annual trash clean up hike with my Youth Ministry Group at Fall Run Park.

I have volunteered at the annual children's Easter vigil egg hunt for the past six years and even served as the Easter Bunny one year.

I lead games and volunteer as a young adult classroom leader for two separate Vacation Bible Schools each summer.

In middle and high school I volunteered with fellow orchestra students to perform at the mall and the City-County Building and with fellow Irish dancers at local nursing homes and events. I also volunteered as a school musical usher, STEAM competition leader, and at local library and gardening club fundraisers.
