To the Greek Catholic Union

I am writing to you on behalf of Ethan Eoanidis. I have had the pleasure of coaching Ethan the past four wrestling seasons. Ethan is one of a kind. We have watched Ethan grow from a young string bean boy to a mature filled out young adult. He has made leaps and bounds both physically and mentally. When we first had Ethan as an 8th grader it was hard to see where he would go with the sport. Unfortunate for us and Ethan he did not participate a few years ago with the COVID pandemic. He returned for his junior and senior seasons and what an instant impact he had on our lineup. He helped us win multiple matches and strived to perform and get better each time out on the mat.

There were times in the season where he had to pick himself up after a tough loss and he did just that. There were also times when he showed what it is to be a captain. Ethan was once an 8th grader and knows how hard it can be when one is brought up. Anytime a younger wrestler struggles he makes sure to go over and pick them up emotionally. It has been nothing but a pleasure coaching him over the years. His effort and leadership are second to none. During his time thus far, Ethan has been named all-conference as a wrestler and looks to become one of 14 all-state wrestlers in school history.

Ethan also puts his time in the classroom and the community. He plays three instruments and where he was a member of the all-county band this past month. Ethan was also all-conference in soccer this fall. He is constantly giving back to the community and kid wrestling program. His leadership, tenacity on the mat, and personality are all going to be greatly missed next season. He is going to be extremely hard to replace. He is one of a kind. Ethan will be attending Boston College next fall.

Sincerely,

Mike Ferrugiari

Dear Greek Catholic Union Athletic Scholarship Committee Members:

Writing this letter of recommendation for **Ethan Eoanidis** is both an honor and a privilege. I have had the pleasure of coaching Ethan over the past four years as his Varsity Soccer Coach and have also spent a great deal of time getting to know both him and his family. He is currently a senior at Cold Spring Harbor High School and has proven to be an outstanding and hardworking young man.

Ethan is full of positive qualities. He is the type of athlete that is putting in extra work before and after practice sessions to constantly improve. Ethan is also a member of the Boys Varsity Wrestling team where he is an incredible physically and mentally tough wrestler. Ethan is always a team first player and leader by example.

Ethan has always proven himself to be a role model. From the first day I met him I knew that he was special. He is a mature student athlete who is well respected by his teachers, coaches and peers. Ethan acts and carries himself in a way that allows other student athletes to look up to him. He is a well-rounded, focused, thoughtful, and extremely dedicated individual. Ethan is an excellent listener and continues to make the most of his opportunities in the classroom and on the playing field and mat. He is devoted to doing his best and most importantly he is always looking for a way to make himself better.

Ethan has been an essential part of our athletic programs. I have had the pleasure of coaching him on the Varsity Soccer team and watching him on the wrestling mat. He has proven himself to be a leader on both teams, he is also an All-Conference soccer player and an important member of the 2022 Nassau County Conference BC championship team, and Nassau County Semi-Finalist team in 2023. Being a true multi-sport athlete is extremely demanding and he does so while keeping in mind that he is a student first.

Ethan is a wonderful example of what a student-athlete should be. He is a true leader who has represented himself in a positive light both on and off the field. I consider myself extremely fortunate for having him on my team and in my life.

I recommend Ethan Eoanidis without reservation.

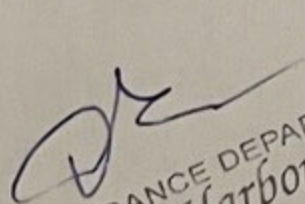

Sincerely,

Christian Lynch
