

In summer 2023, I filled food bags at a church event for families in various countries in South America.

As the head of my church's elementary worship team since spring 2022, I teach my team dances to help them get the kids involved in church.

At East Valley Dream Center for 2 years, I packed and delivered food bags to poor local houses and helped set up spaces for holiday events.

I have volunteered on the youth worship team at Compass Christian Church for 3 years, playing keys during worship and prayer times.

VOLUNTEER COLLAGE

Alyssa LaMont

In the summers of both 2022 and 2023, I co-hosted and led worship at Bible camp for preschool-elementary aged kids and spread God's word.

As a life group leader for 5-6 graders at 2022 church summer camp, I took care of 8 girls and led them in activities and Bible time.

As a part of NHS for 3 years, I often went on trips to FMSC and United Food Bank to pack food bags for multiple hours.

I also choreograph motions to worship songs to share with my team, even learning sign language and researching others for inspiration.
