To Whom It May Concern:

I am writing this recommendation at the request of Rylee Manuel, who is applying for a scholarship through GCU. I have known Ms. Manuel for the past three years in my capacity as the Royal Palm Beach Community High School Girls Varsity Soccer Coach and as the Strikers Travel Girls Soccer Coach.

Ms. Manuel takes great pride in her participation in the soccer program, and has worked hard at achieving her goals. Ms. Manuel takes and accepts direction well, and is a player that can be used in multiple positions to fill in for players during games where needed without hesitation in support of her team. As a senior, Ms. Manuel has stepped up in a support role to help organize players and make posters to assist in getting information out about the new 23-24 soccer season.

Ms. Manuel always has a positive attitude on and off the field, when it comes to practices, games and social interactions, even when things were not at their best. Ms. Manuel works well as a team player, even when others weren't.

In conclusion, I would recommend Rylee Manuel for this scholarship if her participation in the soccer program is any indication of how she will endeavor to pursue her continued goals at the collegiate level. If you need any further information, I can be reached by the email provided in this letter.

Sincerely,

John R. Solek
