To Whom It May Concern:

I am writing to inform you of the dedication, determination, and character that defines Mr. Brent Kolesar. I have had the pleasure to get to know Brent in two different environments over the years. I have been a teacher/counselor that has personally witnessed the academic prowess of Brent in a school setting, as well as his coach during tennis season where I can attest to his ability to work with a team.

For the past few years at West Mifflin Area High School, I have witnessed Brent mature and progress. In terms of academics, he has been enrolled in honors and AP courses throughout his high school career. He has excelled in these classes, attaining an impressive 4.506 cumulative GPA entering his senior year, with his current GPA standing at 4.8. This hard work and diligence has also given Brent a pathway to a rank of number one in his class. Any member of the faculty would agree that in addition to his intelligence, Brent possesses an admirable work ethic that destines him to be successful. His involvement in the Spanish Club, National Honors Society (Treasurer and Secretary), Key Club, Student Secretaries, GCU of USA, multiple churches, and the Greater Pittsburgh Food Bank shows his commitment to extracurricular activities, in addition to his scholarly responsibilities. He puts in the necessary time and work to make himself a better student, a better member of the community, and a better person.

In addition to my observations of him as a student, I got to know Brent better through his participation on the Boys Varsity Tennis Team. He has been a member of the team these past two years of high school. On the tennis team, Brent has not only demonstrated his dedication to improving his own abilities, but also uniting the team in their common goals as our motivational leader. He has never lost his positive attitude or his confidence in others. Perhaps the most noble of Brent's characteristics, is his ability to be a team player. Whether it was playing whatever position was needed on any certain day, or staying late after practice to help a team mate out with drills, Brent had his priorities right. He is a valuable asset to the team, and he will be missed after this school year.

In conclusion, Brent is an outstanding student, an amazing teammate, and an extremely hard worker. However, more than any of that, he is great person. His intentions are always to help, make a positive impact, or make himself better. His personality, sense of humor, and genuine interest in the people around him make him that much more of a remarkable individual. Brent's family, friends, and class mates are better people for knowing him. It is in no hesitation, that I recommend Brent Kolesar in all of his future endeavors. He will without a doubt live up to the standards of your tradition. Thank you for your time.

Sincerely,

John Inglis

To Whom It May Concern:

This letter is to confirm that Brent Kolesar volunteered for a total of 42 hours with Greater Pittsburgh Community Food Bank.

Greater Pittsburgh Community Food Bank is a non-profit organization that collects, stores, and distributes food and household products to over 400 partner agencies throughout Southwestern Pennsylvania.

Brent specifically helped in our Volunteer Engagement Center and The Market, our on-site food pantry. Volunteers in the VEC inspect, sort and repackage thousands of pounds of food each week. Volunteers in The Market stock shelves, serve as shopping buddies for community members and check neighbors in and out. This support is essential to the distribution of food to our neighbors in need throughout our community.

We are grateful to have the opportunity to work with amazing volunteers. Because of their hard work and dedication, we are closer to achieving our mission of a hunger-free Southwestern Pennsylvania.

If you have any questions, please feel free to contact Maria Montaro, Natalie Frank, or Kelly Pare at 412-745-7600.

Sincerely,

Kelly Pare
