

# Nicholas Borsh Philanthropy Events 2023

On October 23, 2023, my fraternity, Sigma Nu at Arizona State University (ASU), welcomed Sara O'Meara and Yvonne Fedderson, the cofounders of [Childhelp](#), a national charity dedicated to preventing child abuse. They are located in Scottsdale, Arizona, just up the road from ASU. It was an incredible way to kick off our philanthropy week. Sigma Nu at ASU has proudly supported Childhelp since 1988. We have raised over \$1 million for abused and neglected children.

During our annual Philanthropy Week, we raised over \$20,000 by hosting a spirit night, a bachelor auction, a goat yoga contest, and our main relay event. We all put in a lot of hours (on top of school), but it was worth it!
