

For several years I volunteered to make pierogis for a lenten food sale at St. Michaels. I also often bake cookies for the election day bake sales for St. Michaels.

For all four years of high school I participated in car washes to raise money for my soccer team.

In the summer of 2023 I volunteered to be a Vacation Bible School teacher for the week at St. Michaels Campbell.

This summer I participated in creating and helping out with the kids games for the St. Michaels parish picnic.

My sophomore year of high school I got the opportunity to paint on the playground for Fairhaven School for the developmentally disabled.
