It is my pleasure that I can provide a personal and professional recommendation of the attributes of Ms. Maggie Baca. I have been involved in the teaching and supervising field for over 24 years and Maggie has been one of my best students-athletes. I have been a Head Basketball Coach for twenty-three years now and I have found Maggie to be an outstanding student-athlete that truly exudes a passion for everything she does. I have found Maggie to be exemplary in character, performance, scholarship, and leadership.

I had an opportunity to spend a lot of time with Maggie coaching her on the Varsity Basketball Team at Barbers Hill High School and found she exhibited compassion and dedication to the program and she always put her teammates first. At all times, Maggie exhibited professionalism and an irresistible personality among her peers. She was always early to practice and was a great leader who led by example. Maggie exhibits extreme dedication, enthusiasm, and tireless hard work on the court and in the classroom. Maggie has excelled in all that she has set out to accomplish. She displays initiative, competence, and outstanding interpersonal relationship skills when interacting with the other staff, faculty, and students.

Maggie exemplified many leadership qualities including being a leader of the Varsity Basketball Team at Barbers Hill, as well as, many other titles with student organizations. Maggie was named 2nd Team 19-5A All-District Performer all four years on the Varsity level. Maggie also excels in the classroom being named to the Academic All-State and All-District Teams all four years while managing to maintain athletic excellence both on the basketball floor and in the classroom.

I have found Maggie to be a teachable, conscientious, assertive, and motivated with a genuine interest in learning. Her attention to detail and enthusiastic demeanor makes her a favorite among countless students, faculty, and staff. Maggie was one of the best academic students I have ever taught and coached. Maggie's work ethic is second to none!

I cannot say enough about how highly I think of Maggie. She is certainly an achiever, who knows what it takes to be successful in all her endeavors. Her analytical ability and perceptiveness are certainly personal assets. I am sure she will represent the criteria for your program very highly. I enthusiastically, and with absolutely no reservation, recommend Maggie Baca. Should you have any other questions or wish to discuss this individual further, feel free to contact me at (281) 409-6392.

Thank you!

Sincerely,

Bryan D. Harris
